

State of Michigan Medication Policy

Taft Elementary School complies with the Medication Policy required by Michigan State Law. **Please read and follow** these procedures:

All prescription or non-prescription medication that is given during school hours must have a doctor's order. Medication Forms are available in the school office. An adult must bring prescription medication to the school office in a pharmacy-labeled container. Non-prescription medication should be in the original container with manufacturer's instructions intact. Your family doctor must authorize all over-the-counter medication and documentation must be on file in the school office.

Students may not carry medication to and from school. Michigan State Law requires that adults should handle medication only.

If you have questions regarding the Medication Policy or need a Medication Form, ask Mrs. Bilek, the school secretary.
